

Swimming Schedule

Dear Parent/Guardian:

Mr. Hahaj's 4th grade Physical Education classes will be swimming once a week starting September 10th and ending October 31st. Students will receive instruction from the trained and experienced staff at the BHS pool. Instruction will include; swim strokes, poolside rescue skills, and Lake Michigan survival skills. These are important skills because we live near Lake Michigan and many other bodies of water. Students are expected to bring swimming gear and a towel. Ideally, girls should have a one piece swim suit and boys should have swimming trunks. Students should pack their swim gear the night before. They may NOT call home from the office if they forget their gear.

Students will be riding a school bus to and from the high school. Their classroom teachers will walk them to the bus at the Elementary school and I will meet them at the high school. After swimming I will put them back on the bus and their classroom teachers will get them off of the bus at the Elementary school.

Please Make a Note of the Schedule:
